SEASON FOR SHARING We'll match your donation 100% to local nonprofits.

2012-13 Recipients

Since Season for Sharing began in 1993, more than \$51 million has been distributed to Arizona agencies that help our state's most vulnerable residents. Last year, \$2.74 million was distributed to the 133 agencies listed below that help at-risk children and families, improve educational skills, help domestic violence victims and serve the elderly. Because of the tough economic times, more funds were allocated to programs providing basic needs, such as safety, shelter and food.

As always, 100% of your donation, plus the unique matching dollars from the Gannett Foundation, were distributed because The Arizona Republic and 12 News paid all administrative and fund-raising costs.

Children & Families

Bob & Ashley Gaed, helped through Aid to Adoption of Special Kids

Within a year of becoming licensed foster parents, Bob and Ashley – already parents of three – took in four siblings living in a group home and in need of a family. A year later, the Gaedes adopted all four. Since then, eight more children have come their way.
