WILLIAMS - Civitan Foundation proudly announces the opening of three new programs at Camp Civitan beginning in June. Day treatment and training for adults, day treatment and training for children and day treatment and training/summer are programs designed to provide an interactive and enriching environment for participants. Staff seeks out exceptional locations and events within the community to provide both education and entertainment such as museums, galleries, interesting stories, local festivals and fire and ranger stations, to name a few.

Civitan Foundation also provides opportunities throughout the month for participants to volunteer, including such places as local churches, the Williams Food Bank and Camp Civitan's Gift and Thrift Store. Civitan participants will set personal goals to volunteer each month through their "Volunteer Exploration Program," which has a group goal of 500 volunteer hours for the year.

Days and hours of operation are Monday through Friday, 8 a.m.-6 p.m., offering half days and full days depending on program and personal preferences. Transportation will be available. For further information or to enroll, contact Merilee Adams, program coordinator, at (602) 908-3448 or (928) 635-2944.
